

Spelling and Vocabulary Workbook

Year 10

You must know how to spell the following words and you must know the meaning of each word within the context of the subject

	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
Biology (GCSE) Key vocabulary	Meiosis, DNA, Protein Synthesis, Phenotypes, Alleles	Inheritance, multiple and missing alleles mutations	Areas of health, communicable and non-communicable diseases, pathogens	Plants defences and diseases, the immune system, antibiotics and monoclonal antibodies	Photosynthesis, transpiration and translocation, limiting factors	Hormones, controlling the menstrual cycle, diabetes, thermoregulation, osmoregulation and the kidneys
Chemistry (GCSE) Key vocabulary	Transition, Equilibrium, corrosion, electroplating, alloys	Yield, Atom economy, titration, burette, Haber process, Fuel cell, Equilibria	Alkali metals, Halogens, Noble gases, electron shielding, catalysts, collisions, exothermic, endothermic	Crude oil, fractional distillation, Alkane, combustion, carbon monoxide, carbon dioxide, greenhouse effect, climate change, homologous series	combustion, carbon monoxide, carbon dioxide, greenhouse effect, climate change, Alkane, Alkene, cracking	Alcohol, Ethanol, carboxylic acid, polymers, addition polymerisation, condensation polymerisation, finite, biodegradable
Computer Science Key vocabulary						
Dance Key vocabulary	Gentle pulse raiser. Joint mobility. Core stability. Flexibility/stretch. Hydration. Nutrition. Alignment and safe execution of movement phrases. Injury prevention and care. Safe performance environments. Physical Skills (posture, alignment, balance, co-ordination, control, flexibility, mobility, strength, stamina, extension and isolation. Technical Skills (Action, dynamic, spatial, relationship, timing and rhythmic content, performing movements in a stylistically accurate way). Expressive Skills (Projection, focus, spatial awareness, facial expression and phrasing,	Motif & Development - Choreographic Process. Choreographic devices Structure. Narrative. Cyclic. Beginning, middle, end. ABA Action - Jump/elevation. Turn/rotation. Travel/locomotion. Gesture Stillness/balance. Falling. Body shapes. Transference of weight. Floor work. Space - Stage space. Directions in space/stage direction (CS, DSR, USL etc.). Levels. Pathways (floor patterns). Size of movement (amount of space used- close to or away from centre/kinesphere). Proxemics (space between you and other	Stimulus Stimuli Visual Stimulus Tactile Stimulus Auditory Stimulus kinaesthetic Stimulus Ideational/thematic Stimulus Prop Stimulus Historical Event Feature of the Natural World Motif and Development Improvisation and Exploration Choreographic Process	Aural Setting Accompaniment Auditory Music Terminology: Beat Tempo Rhythm Phrase Motif Accent Syncopation Modern/classical/traditional Close relationships Distant relationships Mutual co-existence Direct correlation Geographical/historical/social context	Features of Production Performance Environments: In the round Site sensitive Proscenium arch End stage Thrust stage Dance for camera Outside location Set design Physical setting Lighting Props Projection Cyclorama Rake Costume Pathways and opportunities Wings Top shop Close up Long shot Slow motion	Anthology Professional work Set work Exam procedure Physical Skills (posture, alignment, balance, co-ordination, control, flexibility, mobility, strength, stamina, extension and isolation Technical Skills (Action, dynamic, spatial, relationship, timing and rhythmic content, performing movements in a stylistically accurate way). Expressive Skills (Projection, focus, spatial awareness, facial expression and phrasing, musicality, sensitivity to other dancers and

	<p>musicality, sensitivity to other dancers and communication of choreographic intent)</p> <p>Mental Attributes (Systematic repetition, mental rehearsal, rehearsal discipline, planning of rehearsals, response to feedback, capacity to improve)</p>	<p>dancers). Dimensions. Planes (axis). Symmetry/Asymmetry. Projection/Focus. Personal/social/general space.</p> <p>Dynamics - Bound – Free. Heavy – Light. Sudden – Sustained. Dynamic Phrasing: Impact/Impulse/Swing/Ex</p> <p>amples of ‘dynamics’ words: Smooth, sharp, jagged, shaky, soft, bouncy, float, crashing, quiver, pressing, punching, gliding etc.</p> <p>Relationships – Solo (on own or in group). Duet/trio/group: Unison, canon, Q&A, mirroring/copying, meeting/parting, lead & follow, complement, contrast, action & reaction, support, surround, opposite directions, eye contact, physical contact, carry. Group shape & relationship/ Group spatial relationship (under -over -through-around) Dancer to prop (dancing with; hat, chair, stick, mask, table, floor etc.)</p>			<p>Panning Cross lit</p>	<p>communication of choreographic intent)</p> <p>Mental Attributes (Systematic repetition, mental rehearsal, rehearsal discipline, planning of rehearsals, response to feedback, capacity to improve)</p>
<p>Design Tech Engineering</p> <p>Key vocabulary</p>	<p>Uses, Disposal, Recycling, Materials development , Engineering processes, Costs, Transportation, Sustainability, engineers blue. Centre lathe, pillar drill, scribe, file, hack saw.</p>	<p>Ferrous, Non-ferrous, Thermoplastics, Thermosetting plastics, Smart, Composite</p>	<p>Material removal, shaping, manipulation, joining, assembly</p>	<p>Filter information, synthesise information, identify salient points, Identify requirements. Isometric, orthographic.</p>	<p>Continuation of previous words.</p>	<p>Polish, assemble, lamp, job sheet, gphant chart, analyse, identify drawing conventions, evaluations.</p>
<p>Design Tech OCR</p> <p>Key vocabulary</p>	<p>Isometric, 3D, accuracy, Softwoods, hardwoods, manufactured boards, alloys, composites,</p>	<p>Interaction, 6Rs of recycling, comfortable, durable, safe, futuristic, raw materials.</p>	<p>Solar power, kinetic energy, hydropower, remote control, wireless, touch control, voice</p>	<p>CAD, CAM, CNC, machines, accuracy, tolerances,</p>	<p>Ores, crude oil, forests, calliper, steel rule, marking gauge, coping saw, tenon saw, file, sand</p>	<p>Bar charts, pie charts, www, EBI, target market, client, market research,</p>

	metals, plastics, polymorph, SMA, glass reinforce plastic, carbon fibre.		activated, technologies that have disrupted the simple.	measurements. Laser cutting, 3D printing.	belt, tolerances, varnish, wax, spray finish.	joining methods, job sheets, gphant charts,
<u>Drama</u>						
Key vocabulary						
<u>English</u>	prose, fiction, novel, first-person, third-person, narrator, narrative, plot, form, structure, foregrounding, foreshadowing, dynamic character, static character, juxtaposition, chronology, flashback, flashforward, rising action, climax, falling action, simile, metaphor, personification, extended metaphor, imagery, allusion, lexical field, oxymoron, pathetic fallacy, uncanny, repression, doppelganger, supernatural, epistolary, duality, morality, ethics, aberration, abhorrent, allegory, allusion, atavism, consciousness, debased, degenerate, depraved, duality, ethics, feral, metamorphosis, perversion, respectability, restraint, savage, subconscious, supernatural, unorthodox, Victorian	prose, fiction, novel, first-person, third-person, narrator, narrative, plot, form, structure, foregrounding, foreshadowing, dynamic character, static character, juxtaposition, chronology, flashback, flashforward, rising action, climax, falling action, simile, metaphor, personification, extended metaphor, imagery, allusion, lexical field, oxymoron, pathetic fallacy, uncanny, repression, doppelganger, supernatural, epistolary, duality, morality, ethics, aberration, abhorrent, allegory, allusion, atavism, consciousness, debased, degenerate, depraved, duality, ethics, feral, metamorphosis, perversion, respectability, restraint, savage, subconscious, supernatural, unorthodox, Victorian	form, structure, language, text, play, stanza, imagery, lexical field, playwright, couplet, rhyming couplet, simile, character, stage directions, rhyme, metaphor, describe, monologue, rhyme scheme, personification, dialogue, verse, extended metaphor, iambic pentameter, tragedy, verse, prose, blank verse, Shakespearean sonnet, stage directions, dialogue, monologue, soliloquy, aside, internal rhyme, juxtaposition, caesura, enjambement, foreshadowing, stichomythia, foregrounding, repetition, deviation, turn-taking, static character, dynamic character, length of turns	form, structure, language, text, play, stanza, imagery, lexical field, playwright, couplet, rhyming couplet, simile, character, stage directions, rhyme, metaphor, describe, monologue, rhyme scheme, personification, dialogue, verse, extended metaphor, iambic pentameter, tragedy, verse, prose, blank verse, Shakespearean sonnet, stage directions, dialogue, monologue, soliloquy, aside, internal rhyme, juxtaposition, caesura, enjambement, foreshadowing, stichomythia, foregrounding, repetition, deviation, turn-taking, static character, dynamic character, length of turns	genre, purpose, audience, non-fiction, inform, explain, describe, first-person, third-person, juxtaposition, chronology, form, structure, foregrounding, foreshadowing, pathos, ethos, logos, anecdotes, biography, autobiography, rhetoric, alliteration, rhetorical question, repetition, emotive language, statistics, persuasive language, hyperbole, anadiplosis	form, open form, closed form, sonnet, elegy, couplet, rhyming couplet, iambic pentameter, rhyme, rhyme scheme, rhythm, internal rhyme, juxtaposition, caesura, enjambement, repetition, foregrounding, simile, metaphor, personification, extended metaphor, imagery, allusion, lexical field, oxymoron, alliteration, sibilance, assonance, onomatopoeia, foreshadowing, emotive language, rhetorical question, symbol, hyperbole
<u>Enterprise and Marketing (BTEC)</u>	Break-even point, Cash flow, Consumer trials, Fixed cost, Focus group, Liability, Market segmentation, Primary market research,	Business angel, Business plan, Competitive pricing Crowdfunding, Extension strategies, Franchise, Partnership, Point of sale advertising, Price penetration, Price	Human Resources, Logistics, Marketing, Operations	Break-even point, Collating data, Customer profile, Market research, Market segmentation, Primary research, Pricing strategies, Sampling methods,	Risk, Self-assessment	Added value Brand Brand identity Brand personality Brand strategy Digital promotion
Key vocabulary						

	Profit, Revenue, Secondary market research, Total costs, Variable cost	skimming, Product differentiation, Product lifecycle, Psychological pricing, Social media, Sole trader, Unique Selling Point (USP)		Secondary research, Targeting, Target group		Offline/traditional promotion Promotion Promotional methods Promotional objectives
French Key vocabulary	Different types of house. Adjectives to describe the house. Name for furniture. Adjectives to describe furniture (colours + materials). Rooms of the house. Chores. Compass points. Locations. Adjectives to describe a town. Using "habiter" and "vivre".	Name of charities. Vouloir + infinitive. Charity work. Vouloir (to want to) and aimer (to like) in the conditional. Frequency words. Eating habits. Meals and food groups. Devoir (to have to/ must) and pouvoir (can/ be able to) + infinitive. Adverbs to enhance sentences. Health habits. Être (to be), avoir (to have) and faire (to do) in the imperfect tense.	Environmental issues. Actions to be taken. Devoir and pouvoir + infinitive. Solutions to environmental problems. Si + present tense. Social issues. The imperative ("vous" form). Verbs of possibility. Agreeing and disagreeing in discussion.	Holiday destination. Means of transport. Prepositions for countries and means of transport. Negatives. Holiday activities. Sequencing words and phrases. Sporting facilities. Accommodation. Revision of the perfect tense with "avoir". Opinions. Intensifiers. Imperfect tense of -er verbs.	Vocabulary from themes 1 and 2. Preparation and practice for speaking exam.	Vocabulary from themes 1 and 2. Preparation and practice for speaking exam.
Geography Key vocabulary	Abrasion, arch, attrition, bar, beach, beach nourishment, beach reprofiling, cave, chemical weathering, cliff, deposition, dune regeneration, erosion, gabion, groyne, hard engineering, headlands and bays, hydraulic power, longshore drift, managed retreat, mass movement, mechanical weathering, rock armour, sand dune, sea wall, sliding, slumping, soft engineering, spit, stack, transportation, wave cut platform, waves. <i>All key vocabulary taken from https://filestore.aq</i>	Abrasion, attrition, cross profile, dam and reservoir, discharge, embankments, estuary, flood, flood plain, flood plain zoning, flood relief channels, flood risk, flood warning, fluvial processes, gorge, hard engineering, hydraulic action, hydrograph, interlocking spurs, lateral erosion, levees, long profile, meander, ox-bow lake, precipitation, saltation, soft engineering, solution, (channel) straightening, suspension, traction, vertical erosion, waterfall.	Brownfield site, dereliction, economic opportunities, greenfield site, inequalities, integrated transport systems, mega-cities, migration, natural increase, pollution, rural-urban fringe, sanitation, social deprivation, social opportunities, squatter settlement, sustainable urban living, traffic congestion, urban greening, urbanisation, urban regeneration, urban sprawl, waste recycling. <i>All key vocabulary taken from https://filestore.aq</i>	Birth rate, Commonwealth, death rate, de-industrialisation, demographic transition model, development, development gap, European Union, Fairtrade, globalisation, gross national income (GNI), human development index (HDI), industrial structure, infant mortality, information technologies, intermediate technology, international aid, life expectancy, literacy rate, microfinance loans, North-South divide, post-industrial economy, science and business parks, service industries	Birth rate, Commonwealth, death rate, de-industrialisation, demographic transition model, development, development gap, European Union, Fairtrade, globalisation, gross national income (GNI), human development index (HDI), industrial structure, infant mortality, information technologies, intermediate technology, international aid, life expectancy, literacy rate, microfinance loans, North-South divide, post-industrial economy, science and business parks, service industries	Agribusiness, carbon footprint, energy mix, food miles, fossil fuel, local food sourcing, organic produce, resource management, aeroponics, biotechnology, famine, food insecurity, food security, hydroponics, irrigation, permaculture, sustainable development, sustainable food supply, the new green revolution, undernutrition, urban farming, 'grey' water, groundwater management, over-abstraction, sustainable development, sustainable water supply, waterborne diseases, water conflict, water conservation,

	a.org.uk/resources/geoqraphy/AQA-8035-SSV.PDF		a.org.uk/resources/geoqraphy/AQA-8035-SSV.PDF	(tertiary industries), trade, transnational corporation (TNC). <i>All key vocabulary taken from https://filestore.aqa.org.uk/resources/geoqraphy/AQA-8035-SSV.PDF</i>	(tertiary industries), trade, transnational corporation (TNC). <i>All key vocabulary taken from https://filestore.aqa.org.uk/resources/geoqraphy/AQA-8035-SSV.PDF</i>	water deficit, water insecurity, water quality, water security, water stress, water surplus, water transfer, biomass, energy conservation, energy exploitation, energy security, fossil fuel, geothermal energy, hydro(electric) power, nuclear power, renewable energy sources, solar energy, sustainable development, sustainable energy supply, wind energy. <i>All key vocabulary taken from https://filestore.aqa.org.uk/resources/geoqraphy/AQA-8035-SSV.PDF</i>
Health and Social Care (BTEC) Key vocabulary	Health care setting, Social care setting, Service provider, Service user, Practitioner, Advocates, Empathy, Care plan, Dementia, Jargon, Physical disability, Learning disability, Dyslexia, Cerebral palsy, Care review, Clarity, Tone, Pace, Empathy, Paraverbal skills, Gestures, Interpreters, Makaton, Braille	Environment, Ventilation, Personal space, Culture, Personal qualities, Active listening, Paraphrasing, Open questions, Patronising language, Insomnia, Emotional abuse, Patience, Respect, Empowerment, Reassurance, Value	Equality, Diversity, Discrimination, Legislation, Self-esteem, PECS, Dynavox, Lightwriter, Designated Child Protection Officer, DBS Checks	Vulnerable, Disabilism, Sexualism, Transphobia, Redress, Protected characteristic, Victimization, Harassment	Bacteria Barrier methods Procedure	Aims Objectives Communication book OFSTED Social Services
Hospitality and Catering Key vocabulary	Exam command words Catering terminology- names of vegetable cuts 3R's – Reduce, reuse, recycle	Establishment Commercial / non-commercial Residential/ non-residential Types of food service systems Job role	Hazard Analysis Critical Control Points (HACCP) Environmental Health Officer (EHO) Names of food poisoning bacteria Names of Law affecting the industry	Work flow Provisions Success factors	Names of large equipment in the kitchen Names of illnesses associated with poor nutrition	Identify the key nutrients needed by the body, their sources & why they are needed Unsatisfactory dietary intake - illnesses
History Key vocabulary	Succession. Claimants. Rebellions. Revolts. Warfare. Allegiance. Barons. Earls/Earldoms.	Open field system. Guilds. Feudalism. Thegn. Apprentice. Economic. Social. Burgess. Charter.	Liturgy. Benedictine. Fasting. Clergy. Habit. Monks and nuns. Consecrated. Papal	Alliances. Weltpolitik. Splendid isolation. Arms race. Unification.	Stalemate. Western front. Attrition. Trench warfare. Infantry barrage. No man's land. Duckboard.	Blockade. Surrender. Treaty. Revolution. Bolsheviks. Tsar. Stalemate.

	Fyrd. Legitimacy. Oath. Witan. Housecarls. Sub-regulus.	Baron. Fallow. Forest laws Mudrum fines. Ordeals. Hierarchy. Pottage. Primogeniture. Writs. Chancery.	banner. Papacy. Monasticism. Simony. Nepotism. Celibacy. Pluralism.	Nationalism. Assassination. Cause. Consequence. Imperialism. Colonies. Prestige. Annexed. Foreign policy.	Dugout. Trench system. Zeppelin. Artillery. Shellshock. Trench foot. Over the top. Restricted and unrestricted. Submarine warfare.	Propaganda. Conscription. Offensive. Armistice. Congress. Morale. Submarine warfare. Violation. Unrestricted submarine warfare. Torpedo
Maths (Foundation) Key vocabulary	<u>Unit 11</u> Compound interest, percentage, increase, decrease, equivalent, <u>Unit 12</u> quantitative, qualitative, questionnaire, correlation, sample, bias, frequency polygon, population, interpolate, extrapolate, outlier.	<u>Unit 13</u> volume, vertices, edges, faces, plan, elevation, surface area, prism, net, cylinder, pyramid, sphere, cone <u>Unit 14</u> nth term, sequence, linear, output, geometric, arithmetic, quadratic, term-to-term, position-to-term.	<u>Unit 15</u> ratio, conversion, scale, unitary, proportion, equivalent <u>Unit 16</u> quadratic, function, coordinate, gradient, parallel, y-intercept, midpoint, roots, cubic, reciprocal. <u>Unit 17</u> metric, imperial, speed, conversion, units, mass, density, volume, velocity, proportion.	<u>Unit 18</u> inequality, greater than, less than, equal, integer. <u>Unit 19</u> cubed, square root, reciprocal, power, indices, standard form, estimate, standard form	<u>Unit 20</u> Pythagoras, hypotenuse, adjacent, opposite, trigonometry, sine, cosine, tangent ratios <u>Unit 21</u> independent, experimental, theoretical, mutually exclusive, relative, frequency.	<u>Unit 22</u> construct, perpendicular, bisector, region, loci, segment, equidistant. <u>Unit 23</u> simultaneous equations, elimination <u>Unit 24</u> vector, magnitude, direction, scalar
Maths (Higher) Key vocabulary	<u>Unit 12</u> Histogram, frequency density, cumulative frequency, box plot, interquartile range <u>Unit 13</u> Frustum, cone, sphere, cylinder, prism, volume, surface area <u>Unit 14</u> Exponential functions, reciprocal, quadratic, linear, cubic, roots	<u>Unit 15</u> Proportion, ratio, direct, inverse, quantity, scale <u>Unit 16</u> Perpendicular, bisector, constructions, similar, congruent, loci, region	<u>Unit 17</u> Inequality, equation, solve, integer, number line, quadratic <u>Unit 18</u> Independent, mutually exclusive, conditional, relative frequency, sample space	<u>Unit 19</u> Quadratic, rational, factorise, expressions, completing the square, identity <u>Unit 20</u> Trigonometry, sine, cosine, formula, triangle, sector, segment	<u>Unit 21</u> Minimum point, trial and improvement, quadratic, factorisation <u>Unit 22</u> Scale factor, similarity, area, volume	<u>Unit 23</u> Simultaneous equations, linear, quadratic, tangent, gradient <u>Unit 24</u> Vector, magnitude, parallel, notation, resultant <u>Unit 25</u> Function, translation, horizontal, vertical, stretch, reflection, transformation
Music Key vocabulary	Evaluate, explain, describe, identify, style, genre, analyse	Evaluate, explain, describe, identify, style, genre, analyse	Audit, Self evaluation, Timeframe, Self Development Plan, Portfolio, Production, Performance	Audit, Self evaluation, Timeframe, Self Development Plan, Portfolio, Production, Performance	Target audience, Commercial, Timeline, Intentions, Requirements	Target audience, Commercial, Timeline, Intentions, Requirements
PE (Cambridge National Level 2 Sports Studies)	LO1: User groups (single parents, ethnic minorities etc), barriers (disposable income, employment etc), solutions (provisions, promotion and access),	LO3: Features of major sporting events (one off, regular and regular and recurring etc), potential benefits and drawbacks of cities hosting major	Rules Regulations Consistency Accuracy Application Signals/gestures	Skills Techniques Tactics Compositional idea Decision making Formation	Skills Techniques Tactics Compositional idea Decision making Formation	Strengths Weaknesses Skills (simple, complex, open and closed) Transferable skills Techniques

Key vocabulary	popularity factors (popularity, spectatorship etc), trends in sport, growth of emerging sports (ultimate frisbee etc). LO2: Values (team spirit, fair play etc), Olympic and Paralympic movement (creed symbol, Olympic values), initiatives and events which promote values (Football for Hope, Chance to Shine etc), etiquette and sporting behaviour for performers and spectators (sportsmanship, gamesmanship etc) and the use of performance enhancing drugs (WADA, offenses, initiatives etc).	sporting events (investment, tourism, commercial benefits etc), links between the benefits and drawbacks and legacy of major sports events (sporting, social and economic legacies etc). LO4: What NGBs do (promotion, development and infrastructure etc), NGB policies and initiatives (anti-doping, etiquette and fair play, community programmes and safeguarding etc), NGB funding (distribution, grants, memberships etc) and NGB support (technical advice, location etc).	Communications Decision making Positioning Roles Responsibilities Scoring Timing Officiating Referee Health and safety Knowledge Respect Confidence	Positioning Performance Coordination Strength Speed Power Endurance Apply Create Evaluate/Review	Positioning Performance Coordination Strength Speed Power Endurance Apply Create Evaluate/Review Teamwork Communication	Tactics Types of practice (whole, part, variable and fixed) Methods to improve performance Context of performance Evaluation Proficiency awards Individual logs Video diaries Peer observation Monitoring results over time Self-assessment/review
Physics (Combined) Key vocabulary	magnitude vector scalar displacement instantaneous acceleration deceleration velocity Momentum conservation thinking distance braking distance stopping distance reaction work done crumple zone	Atomic, lubrication, dissipated, conduction, convection, radiation, climate change Period seismic medium interface transmit absorb	electromagnetic spectrum ultraviolet infrared gamma vacuum oscillations radiotherapy mutation Absorption spectrum Geiger-Muller tube count rate alpha beta positron	activity half-life becquerel Work done power contact non-contact force field resolving Free body diagram lever pivot gear	Component conserved coulomb charge diode thermistor light-dependent resistor watt hertz alternating national grid fuse earthed induced solenoid motor effect flux density	Sublimation deposition density specific heat capacity specific latent heat kelvin pascals absolute zero elastic non-linear spring constant
Physics (GCSE) Key vocabulary	Absorption spectrum Geiger-Muller tube count rate alpha beta positron unstable fission fusion activity half-life becquerel	Geocentric heliocentric telescope natural satellite protostar red giant white dwarf supernova neutron star doppler effect red-shift	Work done power contact non-contact force field resolving Free body diagram lever pivot gear	Component conserved coulomb charge diode thermistor light-dependent resistor watt hertz alternating national grid fuse earthed uniform point charge	Induced solenoid motor effect flux density commutator generator dynamo alternator transformer	Sublimation deposition density specific heat capacity specific latent heat kelvin pascals absolute zero elastic non-linear spring constant
PSHE Key vocabulary	Body Image. Media. Social Media. Reality. Body Talk. Mental Health.	Strengths. Stigma. Body Image. Media. Social Media. Reality. Body Talk. Mental Health.	Health. Emergency. Consequences. Vulnerable. Prevention. Safety. Risk	Social. Respect. Emotional. Cultural. Coercive. Abuse	Qualities. References. Employment. Personal Brand.	Ambition. Aspiration. Career. Goals. Quality and Skills. Qualifications. Education
Religious Studies	Worship, Liturgical worship, Non-liturgical worship, Informal	Festival, Christmas, Easter, Advent, Wise men/Magi, Lent,	Crime, Punishment, Evil, Intention, Justice, Bye laws, Parliamentary laws,	Forgiveness, Death penalty, Capital punishment, Principle of	Muslim, Islam, Allah. Tawhid, Monotheistic,	Allah, Muhammad, Ali, Five Pillars, Ten Obligatory Acts, Sunni,

<p>Key vocabulary</p>	<p>worship, Private worship, Prayer, Set prayers, Informal prayer, Nonconformist, Bible, The Lord's Prayer, Sacraments, Confirmation, Marriage, Holy Orders, Anointing of the sick, Reconciliation, Baptism, Believer's baptism, Infant baptism, Holy Communion, Eucharist, Liturgy, Pilgrimage, Lourdes, Iona, Virgin Mary, St. Bernadette, St. Columba, Catholic, Protestant, Anglican, Orthodox.</p>	<p>Epiphany, Pentecost, Church, Agape, Street Pastor, Food banks, Trussell Trust, Oasis project, Mission, The Great Commission, Missionary, Evangelism, Alpha course, Convert, Reconciliation, Persecution, Corrymeela Community, The Coounity of the Cross of Nails – Coventry, Discipleship, Barnabas fund, Pastor Baber George, CSW, CAFOD, Christian aid, Tearfund, Bible, Protestant, Catholic.</p>	<p>Magistrates court, Crown court, High Court, Court of Appeal, House of Lords, European Court of Justice, European Court of Human Rights, Non – indictable offences, Indictable offences, Shari'ah law, Poverty, Mental illness, Addiction, Greed, Sin, Hate crimes, Free will, Suffering, Retribution, Deterrence, Reformation, Protection, Unforgivable crimes (Hadud), Forgivable crimes (Al-Jynayaat), Community crimes (Al Ta'azir), Crimes against the state law (Al-Mukhalafat), Prison, Community service, Corporal punishment, Community payback, Secure Training Centres (STCs), Secure Children's Homes, Youth Offender Institutions, Qur'an, Hadith, Bible, Catholic, Protestant, Muslim.</p>	<p>utility, Sanctity of life, Crucifixion, Amnesty International, Catholics Against Capital Punishment, Arafat, Catholic, Protestant, Muslim, Qur'an, Hadith, Bible.</p>	<p>Supremacy, Qur'an, Sunnah, Sunni, Shi'a, Six articles of faith, Usul ad-Din, Imamate, Immanent, Transcendent, Omnipotent, Omnibenevolent, Omniscient, Omnipresent, Merciful, Fairness, Justice, Angels, Day of judgement, Jibril, Mika'il, Israfil, Azrael, Munkar and Nadir, Predestination, Al- Qadr, Akhira, Resurrection, Heaven, Paradise, Jannah, Hell, Yaw Muddin, Barzakh, Jahannam, Prophet, Risalah, Prophethood, Iblis, Ka'aba/Kabah, Id-ul-Adha, Hajj, Ishmael, Abraham, Muhammad, Caliph, Imam, Torah, Psalms, Gospel, Scrolls of Abraham, Seal of the prophets, Laylat al Qadr, Night Journey, Ummah, Ayat, Hafiz, Kursi, Surah.</p>	<p>Shi'a, Shahadah Salah, Sawm, Zakah, Hajj, Khums, Jihad, Amr-bil-Maruf (Encouraging people to do good), Nahi Anil Munkar (Discouraging people from doing bad), Tawallah (showing love), Tabarra (disassociating from the enemies of God), Imam (both the Sunni and Shi'a view), Wudu, Mihrab, Qiblah wall, Mosque, Fajr, Zuhr, Asr, Maghrib, Isha, Rakah, Recitation, Qur'an, Hadith, Prostration, Jummah prayer, Ramadan, Fasting, Night of Power, Id ul Fitr, Jibril, Sadaqah, Alms, Pilgrimage, Makkah, Ka'aba/ Kabah, Dhul al Hijjah, Ihram, Tawaf, Sa'y, Safa and Marwa, Zam Zam, Arafat, Forgiveness, Mina, Id ul Adha, Ibrahim, Sacrifice, Hajji, Greater Jihad, Lesser Jihad, Holy War, Ashura, 10 Muharram, Karbala, Husayn (Hussein), Martyr, Yazid.</p>
<p><u>Travel and Tourism (BTEC)</u> Key vocabulary</p>	<p>Capital cities, e.g. London, Edinburgh, Cardiff, Belfast Seaside resorts UK airports, e.g. London Heathrow, Birmingham International, East Midlands and identify their three-letter identification codes UK passenger seaports between UK and the Republic of Ireland, and UK and Europe, e.g.</p>	<p>Visitor attractions, e.g. National Trust and English Heritage properties, theme parks, museums, historical sites, heritage sites and wildlife parks. Natural features, e.g. mountains, lakes, rivers, coasts and beaches. Accommodation, e.g. hotels, guesthouses, bed and breakfast, self-catering, camping and</p>	<p>Paper-based sources, e.g. guidebooks, tourist leaflets, atlases, holiday brochures, tourist information centres. Internet resources, websites, accessing brochures online. Visitor types, e.g. groups, families, visitors of different ages, visitors of different cultures, non-English-speaking visitors, visitors with specific</p>	<p>travel and tourism, to identify types of organisation e.g. airline, travel agent. different types of organisations and destinations. Brochures, to see what goes into different types of package holidays. Discussing and making notes about the role of a tour operator.</p>	<p>Public and voluntary sector. Tourist attractions in their local region. museum, national tourism agency, tourist information centre, tourist attraction</p>	<p>Financial and strategic aims. Corporate Social Responsibility and sustainability. Regulator (e.g. CAA, ABTA, ORR) Tourism Alliance UK Tourism statistics. Economic and employment impact. National Statistics homepage for GDP, inbound tourism numbers</p>

	Dover, Holyhead, Portsmouth, Larne.	caravanning, holiday parks and boats	needs, domestic visitors, inbound visitors	Type of accommodation (hotels, B&B, caravan sites etc.).		and spend, domestic tourism overnight numbers and spend
Visual Art Key vocabulary	Drawing Ideas Intention Recording Observation Refinement Visual communication Course specific key terms.	Drawing experimenting Refinement Composition Concept Visual communication Course specific key terms.	Development Refinement Outcomes Communication Intention Experiment Course specific key terms.	Development Refinement Outcomes Communication Intention Experiment Course specific key terms.	Drawing experimenting Refinement Composition Concept Visual communication Course specific key terms.	Development Refinement Outcomes Communication Intention Experiment Course specific key terms.
imedia Key vocabulary	mood boards, mind maps/spider diagrams, visualisation diagrams, images, graphics, logos, text, storyboards, number of scenes, scene content, timings, camera shots (e.g. close up, mid, long), camera angles (e.g. over the shoulder, low angle, aerial), camera movement (e.g. pan, tilt, zoom) .	Tasks, activities, work flow, timescales, resources, milestones, contingencies	a digital graphic, images, graphics	a digital graphic, images, graphics	a pre-production document e.g. for format, style, clarity
