

Message for all year 11 students intending to return to HBHS Sixth Form in September

In your CEIAG meeting that you recently attended you may have been asked over the coming weeks to start to decide and accept offers from schools that have made you an offer on Kent Choices.

If you are unable to do this as you may have forgotten your Kent Choices password or cannot access your account please do not panic or worry.

All students that attended a CEIAG meeting and have been offered a place at HBHS sixth form will be contacted in the near future and do not have to worry if they cannot make a preference or accept any offers.

If you have concerns please feel free to email 6form@hernebayhigh.org

Message for all students intending to attend a College in September

We have been made aware that many of the local colleges have cancelled or postponed CEIAG meetings for any students wishing to apply for September at local colleges. We have also been made aware that it is extremely difficult to get through on their helplines.

If a student has already received an offer from East Kent College Group please do not be worried or be concerned as you will still have this offer and they should make contact with you via email or post to update you in due course.

If your interview has been cancelled and you have not yet been offered a place please be patient and do not panic, keep checking the colleges website for updates.

If you have any concerns or questions please contact l.hasler@hernebayhigh.org

Students wanting to access Kent Choices

If any students have forgotten their Kent Choices log on please do not hesitate to contact l.hasler@hernebayhigh.org or 6form@hernebayhigh.org and they can be reset.
