## Purpose of plan

This plan examines potential risks and issues that could cause disruption to the exams process at Herne Bay High School. By outlining actions/procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions have on our exam process.

Alongside internal processes, this plan is informed by the Ofqual Exam system contingency plan: England, Wales and Northern Ireland which provides guidance in the publication "What schools and colleges and other centres should do if exams or other assessments are seriously disrupted and the JCQ Joint Contingency Plan in the event of widespread disruption to the Examination System in England, Wales and Northern Ireland".

This plan also confirms Herne Bay High School is compliant with the JCQ regulation (section 5.3, General Regulations for Approved Centres 2020-21) that the Centre has in place a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or staff absence.

#### 3.2. In the event of disruption

3.2.1. Contact the relevant awarding organisation and follow its instructions

3.2.2. Take advice, or follow instructions, from relevant local or national agencies in deciding whether your centre is able to open

### 6. Wider communications

- 6.1. The regulators, Ofqual in England, Qualifications Wales in Wales and CCEA in Northern Ireland, will share timely and accurate information, as required, with awarding organisations, government departments and other stakeholders
  - 6.2. The Department for Education in England, the Department of Education in Northern Ireland and the Welsh Government will inform the relevant government ministers as soon as it becomes apparent that there will be significant local or national disruption; and ensure that they are kept updated until the matter is resolved
  - 6.3. Awarding organisations will alert the Universities and Colleges Admissions Service (UCAS) and the Central Applications Office (CAO) about any impact of the disruption on their deadlines and liaise regarding student progression to further and higher education
  - 6.4. Awarding organisations will alert relevant professional bodies or employer groups if the impact of disruption particularly affects them
- 7. Widespread national disruption to the taking of examinations / assessments**
- 7.1. The governments' view across England, Wales and Northern Ireland is education should continue in 2020/21 with schools remaining open and that examinations and assessments will go ahead in both autumn 2020 and summer 2021.
  - 7.2. As education is devolved, in the event of any widespread sustained national disruption to examinations or assessments, national government departments will communicate with regulators, awarding organisations and centres prior to a public announcement. Regulators will provide advice to government departments on implications for exam timetables.
  - 7.3. We will update this page as necessary should national disruption occur with any further relevant links. (Ofqual guidance extract above taken directly from the Exam system contingency plan: England, Wales and Northern Ireland - What schools and colleges and other centres should do if exams or other assessments are seriously disrupted (updated 1 October 2020) <https://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland/what-schools-and-colleges-should-do-if-exams-or-other-assessments-are-seriously-disrupted>)

## JCQ

1. The qualification regulators, JCQ and government departments responsible for education have prepared and agreed information for schools and colleges in the event of examinations being seriously disrupted.
  - 1.1. This jointly agreed information will ensure consistency of response in the event of major disruption to the examinations system affecting significant numbers of candidates.  
Further information may be found at: <https://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland/what-schools-and-colleges-should-do-if-exams-or-other-assessments-are-seriously-disrupted>
  - 1.2. In addition, awarding bodies have their own well-established contingency plans in place to respond to disruptions. It is important that exams officers who are facing disruption liaise directly with the relevant awarding body/bodies.
  - 1.3. Centres should prepare plans for any disruption to examinations as part of their general emergency planning. It is important to ensure that relevant centre staff are familiar with the plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.
  - 1.4. In the event that the head of centre decides the centre cannot be opened for scheduled examinations, the relevant awarding body must be informed as soon as possible. Awarding bodies will be able to offer advice regarding the alternative arrangements for conducting examinations that may be available and the options for candidates who have not been able to take scheduled examinations
  - 1.5. The awarding bodies will designate a 'contingency day' for examinations, summer 2021. This is consistent with the qualification regulators' document Exam system contingency plan: England, Wales and Northern Ireland: <https://www.gov.uk/government/publications/exam-systemcontingency-plan-england-wales-and-northern-ireland>
    - 1.5.1. The designation of a 'contingency day' within the common examination timetable is in the event of national or significant local disruption to examinations. It is part of the awarding bodies' standard contingency planning for examinations.
    - 1.5.2. In the event of national disruption to a day of examinations in summer 2021, the awarding bodies will liaise with the qualification regulators and government departments to agree the most appropriate option for managing the impact. As a last resort the affected examinations will be rescheduled. Although every effort would be taken to keep the impact to a minimum, it is possible that there could be more than one timetable date affected following the disruption, up to and including the contingency day.

- 1.5.3.** Centres will be alerted if it is agreed to reschedule the examinations and the affected candidates will be expected to make themselves available in such circumstances. The decision regarding the rescheduling of examinations will always rest with the awarding body. The centre must conduct the examination on the scheduled date unless instructed to do otherwise by the awarding body.
- 1.5.4.** Where candidates choose not to be available for the rescheduled examination(s) for reasons other than those traditionally covered by special consideration, they will not be eligible for enhanced grading arrangements. Centres must therefore ensure candidates and parents are aware of this contingency arrangement so that they may take it into account when making their plans for the summer. However, the awarding bodies will not insist upon candidates being available throughout the entire timetable period as a matter of course.
