

Herne Bay High School

Child Protection Policy Addendum in Response to Covid-19

April 2020 – Version 1

Based on DfE guidance 'Coronavirus (COVID-19): safeguarding in schools, colleges and other provider' March 2020:

<https://www.gov.uk/government/publications/covid-19-safeguarding-in-schools-colleges-and-other-providers/coronavirus-covid-19-safeguarding-in-schools-colleges-and-other-providers>

THE EDUCATION
PEOPLE

Herne Bay High School

Child Protection Policy Addendum in response to Covid-19

Policy Author: Chris Harris

Date written/Updated: 02.04.2020

Date shared with staff: 02.04.2020

This addendum will be reviewed following any updates to national and local guidance and procedures and reshared as required.

1. Context

- On 20th March 2020 parents were asked to keep their children at home, wherever possible, as part of the response to coronavirus (COVID-19). Schools and childcare providers were asked to provide care for a limited number of children - children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home.
- The way Herne Bay High School is currently operating in response to coronavirus is fundamentally different, however, our safeguarding principles in accordance with 'Keeping Children Safe in Education' (KCSIE) 2019, remain the same:
 - the best interests of children will always come first
 - if anyone has a safeguarding concern about any child they should continue to act and act immediately
 - a DSL or deputy DSL is available
 - unsuitable people are not allowed to enter the children's workforce and/or gain access to children
 - children should continue to be protected when they are online
- This addendum of Herne Bay High School Child Protection policy contains details of any amendments to our existing safeguarding arrangements.

2. Key School Contacts

	Name	Email
Designated Safeguarding Lead (DSL)	Chris Harris (Senior Vice Principal)	c.harris@hernebayhigh.org
Deputy Designated Safeguarding Leads	Brian Jones (Vice Principal)	b.jones@hernebayhigh.org
Principal	Jon Boyes	principal@hernebayhigh.org
Chair of Governors	Amy Ansell	a.ansell@hernebayhigh.org
Safeguarding Governor	Mark Blesky	m.blesky@hernebayhigh.org

3. Designated Safeguarding Leads (DSLs)

- **Name of school** Lead Designated Safeguarding Lead is: **Chris Harris**
- **Name of School** Deputy Designated Safeguarding Lead(s) is: **Brian Jones**
- The DSL will be available to be contacted via normal routes which are in place when the school is operating as normal (1) via CPOMS (2) via Skype phone
- The DSL will continue to ensure appropriate engagement is undertaken with social workers, and that relevant staff attend all multi-agency meetings, which can be done remotely.

4. Vulnerable children

- Ensuring that vulnerable children remain protected is a top priority for Herne Bay High School.
 - Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with education, health and care (EHC) plans. Please see DfE guidance for further information on [vulnerable children](#).
- There is an expectation that children with a social worker will attend a provision, unless in consultation with the child's social worker and family it is agreed this is not in the best interests of the child. Where parents are concerned about the risk of the child contracting COVID19, professionals will talk through these worries with the parent/carer following the advice set out by Public Health England.
- Children with an EHC plan will be risk-assessed by the SEND team in consultation with the Local Authority and parents and a decision will be made about whether being educated on site is in their best interests.
- Herne Bay High School has the flexibility to offer a place to other learners who may also be considered vulnerable. Please contact Mrs Clifton (a.clifton@hernebayhigh.org) to discuss this further.
- If vulnerable children are not attending school, we will regularly keep in contact by telephone with them, undertaking a dynamic risk assessment and amending provision as appropriate
- Herne Bay High School will continue to work with those professionals involved with children and share relevant information with them such as social workers, early help workers and virtual school heads (VSH). This is especially important during the COVID-19 period.
 - This will include information about attendance and any welfare concerns.
 - If there is a safeguarding concern, this will be shared with the relevant professional as soon as possible.
- Herne Bay High School will encourage our vulnerable children and young people to attend a school, where it is in their best interests, including remotely if needed.

5. Attendance monitoring

- Local authorities and education settings do not need to complete their usual day-to-day attendance processes to follow up on non-attendance.
- Herne Bay High School and social workers will agree with families/carers whether children in need should attend and Herne Bay High School will follow up with family/carers where a child/children are supposed to be attending but do not.
- In all circumstances where a vulnerable child/children does not take up their place, or discontinues, Herne Bay High School will notify their social worker and follow up with the family/carer.
- Herne Bay High School will also follow up with families/carers that have arranged a place for their child/children, namely keyworkers or children that are considered vulnerable but not open to any agencies and do not attend.

- Staff will continue to work with and support children's social workers to help protect vulnerable children.
- Herne Bay High School will complete both the KCC and government [daily online attendance](#) form to keep a record of children of critical workers and vulnerable children who are attending school/college.

6. Reporting concerns

- All staff will continue to look out for any signs that indicate a child may be at risk, both on and off site, including online.
 - If a member of staff/volunteer has any safeguarding concerns about a child, this will be reported to the DSL as soon as possible via usual safeguarding routes ie. CPOMS – if a member of staff can not access CPOMS they should email Chris Harris (DSL) at c.harris@hernebayhigh.org or phone him via the school's Skype system.
 - If the concern is urgent, the member of staff/volunteer will speak to a DSL in person or via phone/video call if they are not on site, immediately.
 - In the event a member of staff or volunteer cannot make contact with a DSL, this will not delay them taking immediate action to safeguard a child. -> they can contact any other senior member of staff, a College Manager, Alison Clifton or if none of these are available they can make personally contact with the KCC Front Door service on 0300 041 4141
 - Concerns will be recorded using existing Herne Bay High School safeguarding processes as outlined in our Child Protection Policy.
- Learners are encouraged to report concerns via existing school systems ie. Contacting a staff member via the Show My Homework communication system, or to a trusted adult at home.
- Parents/carers are encouraged to report concerns via existing school systems ie. Contacting the relevant College Manager
- Where staff are concerned about an adult working with learners, they should report the concern to the principal
 - If there are concerns about any member of staff or volunteer, the LADO service will be consulted with.
 - Concerns around the Principal should be directed to the Chair of Governors.

7. Safeguarding training and induction

- DSL training is unlikely to take place whilst there remains a threat of the COVID 19 virus. For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.
 - Formal DSL refresher training will be undertaken as soon as possible. DSLs will continue to keep their knowledge up to date through other means.
- All existing staff have read KCSIE 2019 Part 1 and accessed safeguarding training.
 - Staff will be made aware if any processes have changed with the sharing of this addendum and the DSL will communicate any changes to local processes directly.
- All new staff and volunteers will have an induction provided via the DSL and will be provided with a copy of the Herne Bay High School Child Protection Policy and Covid-19 Addendum.

8. Safer recruitment

- It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children.

- During Covid-19 if Herne Bay High School recruit new staff we will continue to follow the relevant safer recruitment practices.
- If volunteers are recruited Herne Bay High School will continue to follow the guidance in accordance with KCSIE 2019. Volunteers who have not had the relevant checks will not be left unsupervised with a child.
- If staff from other settings volunteer or begin working at Herne Bay High School we will ensure they have a relevant DBS check following DfE guidance at this time. Herne Bay High School will risk assess staff from other settings, as we would for a volunteer.
- If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that:
 - the individual has been subject to an enhanced DBS and children's barred list check
 - there are no known concerns about the individual's suitability to work with children
 - there is no ongoing disciplinary investigation relating to that individual
- In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.
- Herne Bay High School will continue to refer to the DBS anyone who has harmed or poses a risk of harm to a child in accordance with KCSIE 2019.
- Herne Bay High School will continue to consider and make referrals to the Teaching Regulation Agency (TRA) where appropriate. During the period Covid-19 all referrals will be made by emailing Misconduct.teacher@education.gov.uk.
- Herne Bay High School will continue to update the single central record.

9. Supporting children in school

- Herne Bay High School is committed to ensuring the safety and wellbeing of all its learners
- Herne Bay High School will be a safe space for all children to attend and flourish. A senior member of staff will ensure that there are appropriate staff on site and that staff to learner ratios have been considered to maximise the safety of children.
- Herne Bay High School will follow the current government guidance in relation to social distancing and all matters relating to public health from the respective websites and outlets
- Herne Bay High School will ensure that all children who are either categorised as vulnerable or children of critical workers and are in attendance are appropriately supported.
- Herne Bay High School will continue to record any support provided to children in relation to safeguarding issues on their respective safeguarding recording system.

Peer on Peer Abuse

- Herne Bay High School continues to recognise and respond to cases of Peer on Peer abuse by considering each incident on a case by case basis and basing any intervention on usual processes outlined within KCSIE 19.
- Herne Bay High School recognises that the current circumstances and the changeable nature of current Government guidance may mean that the school may need to adapt elements of the process in some cases to ensure that they are able to respond in line with Government advice when required.

- The DSL will continue to consult as appropriate with multi-agency professionals to ensure that children's safety and wellbeing is not compromised when incidents of peer on peer abuse are brought to their attention.

Online safety

- Herne Bay High School expectations with regards online behaviour and education when using school provided devices or internet access on site will continue to be implemented in line with existing policies. Any concerns regarding onsite online behaviour or use will be responded to in line with existing policies.
- Herne Bay High School will continue to provide a safe online learning environment where learners use school provided devices on site; appropriate filtering and monitoring will continue to be implemented.
 - Learners internet use will be supervised by staff according to their age and ability and learners will be directed to use appropriate online resources and tools.

10. Supporting children not in school

- Herne Bay High School will continue to ensure the safety and wellbeing of all children and young people that remain on the school roll
- All DSLs will continue to identify those vulnerable children that would benefit from Early Help as identified in KCSIE 2019, provide pastoral support and consider whether they would benefit from external support also.
- There will be clear plans around how best to communicate with learners who are identified as vulnerable, as well as those about whom DSLs have concerns about who do not receive a statutory service.
 - This could include telephone contact and/or doorstep visits but is at the discretion of the DSL.
- Herne Bay High School and the DSL will work closely with all relevant agencies and professionals regarding safeguarding a child who is not on site.
 - Any plans will be reviewed regularly and if concerns become significant, the DSL will consider any requests for support if considered appropriate.
- Herne Bay High School recognises that this is a difficult time for children and young people who consider school as a safe place and the current situation may impact on learners', staff and parent/carers mental health.
- The school will utilise its website and social media presence to ensure that safeguarding messages are shared with children and their families. This will include links to appropriate services and resources that are aimed at supporting them throughout this period.

Online safety away from school

- All staff will continue to look out for any signs that indicate a child may be at risk online and will report and respond to concerns in line with the Child Protection Policy addendum.
 - Where necessary, referrals will be made to LADO, children's social care and as required, the police.
- Learners are encouraged to report concerns to a member of staff or a trusted adult at home. Where this is not possible, additional support can be accessed online via:
 - Childline: www.childline.org.uk
 - UK Safer Internet Centre's 'Report Harmful Content': <https://reportharmfulcontent.com>

- National Crime Agency Child Exploitation and Online Protection Command (NCA-CEOP): www.ceop.police.uk/safety-centre
- Parents/carers are encouraged to ensure children are appropriately supervised online and that appropriate parent controls are implemented.
- All communication with learners and parents/carers will take place using school provided or approved communication channels; for example, Show My Homework and school provided email accounts and
 - Any pre-existing relationships or situations which mean this cannot be complied with will be discussed with the DSL.
- Herne Bay High School will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.
- When delivering remote learning, staff will:
 - Only use online tools that have been evaluated and agreed by leadership.
 - Ensure remote learning activities are planned in accordance with our curriculum policies, taking learner needs and technology access into account.
- **Herne Bay High School staff will not engage in remote learning that has a ‘live’ element to it eg. Zoom or Skype calls/conferences or approaches that use webcams or chat facilities – if any member of staff wishes to use such facilities, regardless of the age of the students eg. students may be in the 6th form – they must discuss the matter with Chris Harris (DSL and Senior Vice Principal) .**

11. Additional support and links

- As well as through existing school mechanisms, learners, staff and parents/carers can access age appropriate and practical support and advice via a range of national and local services:
 - Childline: www.childline.org.uk
 - Kent Resilience Hub: <https://kentresiliencehub.org.uk>
 - NSPCC: <https://learning.nspcc.org.uk/safeguarding-child-protection/how-to-have-difficult-conversations-with-children/>
