Autumn 2021/22

Hello all!

Take a look inside to see which events we have run since September and which schools have attended each one.

Our competitions have continued to be extremely popular which is fantastic, given the circumstances we have faced! We, at the Sports Partnership, are always extremely grateful for the commitment and dedication you show in supporting your schools' and working alongside us to create as many opportunities as possible.

We cannot wait to continue into the next term and hit the ground running!

Included in our newsletter is a list of upcoming competitions and events for term 3&4 and also the current football league results.

I hope you all have a fantastic Christmas and well deserved break and look forward to seeing you in the New Year.

SPORTS CREW TRAINING

Sports Crew Training took place at Bysing Wood,
Davington, Hampton, Herne Bay Junior School and
Luddenham School.

Corinne visited Hampton Primary School in November to deliver the Sports Crew Training to 20 children. "Congratulations to Hampton Sports Crew in their training." She was impressed with their ability to take on board the new information and the ability to take that information to create training games. "You all demonstrated maturity, independent learning and great teamwork."

Dan visited Luddenham to deliver Sports Crew Training to 16 children in November: "Luddenham's sports crew really got stuck into their training, taking charge of warm up games and delivering competition ideas to each other. They worked on giving clear instructions and motivation. The whole group were very polite and asked lots of excellent questions to better understand their roles as sports crew. Well done Luddenham!"
